Directed to federal communications commission:

It has been brought to our attention that the laws pertaining to subtitles will be changing as of January 01, 2010. We understand that all Spanish programs will have to be subtitled to English starting the next year.

We are a non-profit organization that is currently running a paid program on Sundays at Univision channel. Our program "Nueva Vida" has been running on the air for a few weeks now and it has came through as a big impact for our community, is serving the purpose that we want it to serve which is to educate and guide families that are going through common daily living conflicts. OUR PROGRAMS ARE NOT OF LUCRATIVE OR PROFITABLE PURPOSE. It has been very costly for us to hold these programs on the air; it will definitely represent an extra burden for us to have to solicit assistance from a captioning distributor being that we don't count on any government monetary assistance or funds.

Our programs are being able to stay on the air thanks to the offerings that our organization members bring in.

It is with all due respect that we ask you to please take in consideration our request to be exempt to the close captioning requirements in order for us to be able to maintain our programs that are so helpful to our community.

Best Regards,

Miguel Montoya
President and CEO

Dear Taxpayer:

This is in response to your Jan. 17, 2008, request for information regarding your tax-exempt status.

Our records indicate that a determination letter was issued in September 2007, that recognized you as exempt from Federal income tax, and reflect that you are currently exempt under section 501(c)(3) of the Internal Revenue Code.

Our records also indicate that you are classified as a public charity under sections 509(a)(1) and 170(b)(1)(A)(vi) of the Code until the advance ruling period ending date shown above.

Within 90 days from the end of the advance ruling period, you must submit Form 8734, Support Schedule for Advance Ruling Period, to enable the IRS to determine whether you meet the applicable public charity support tests and make a final determination of your public charity status.

Donors may deduct contributions to you as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible for Federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

Grantors and contributors may rely on the determination that you are not a private foundation until 90 days after the end of your advance ruling period. If you submit the required information within 90 days, grantors and contributors may continue to rely on the advance determination until the Service makes a final determination of your public charity status.
